HEAD TEACHER'S WELCOME

Welcome back everyone, I hope that you had a relaxing summer break, although weather wise, we can hardly call it summer!

I would like to extend a warm welcome to all the new children that are joining Paget this year, including our new Reception intake. I hope that your children have settled in well and their first few days as part of Team Paget have been as good as they can be. I would also like to welcome new staff, Miss Duignan (Reception teacher), Miss Dark (Y1 teacher) and Mr Bell (resource base teacher). Please make all our new Team Paget members feel welcome.

I have been wandering around the classes over the past couple of days and the I am pleased to inform you that the children have come back brilliantly, settled well and with fantastic attitudes to learning.

As I wrote to you about before the summer holidays, this term sees changes to the way that school meals are ordered. Parents/Carers now need to order each child's lunch online and in advance (before midnight the day before selection). You should have received letters about this before the summer and earlier this week, if you have lost or misplaced yours, please ask the school office for a further copy. In summary, parents/carers should visit the following website to register on the system. This website is then where you order your child's lunches.

<https://atlp.relishops.com/parents/>. For any issues related to resetting passwords, linking accounts with children, allergies or dietary information then please contact catering@atlp.org.uk. The school office cannot assist with this beyond passing on this email address.

Have a good weekend everyone, and I look forward to seeing you all on Monday morning.
Vicky Nussey

Spotlight on Safeguarding

At Paget Primary School Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play in safeguarding children.

In line with government guidance and legislation as laid out in 'Keeping Children Safe in Education 2024' and 'Working Together to Safeguard Children' staff members are advised to maintain an attitude of 'it could happen here'. When concerned about the welfare of a child, staff members should always act in the best interest of the child.

We have a number of policies and procedures in place that contribute to this safeguarding commitment, including our safeguarding policy which is available on our school website.

Paget Safeguarding Team:

At Paget, we have a safeguarding team who oversee and co-ordinate all aspects of the school's work to ensure that children are kept safe. They regularly attend training to ensure that skills and knowledge are up to date, and that are able then to effectively train school staff and support children and families.

Designated Safeguarding Leads, who are there for any concerns to be reported to.

They are:

Mrs Nussey – Head Teacher
Mrs Spiers – Pastoral Manager
Mrs Thomas – Deputy Head Teacher
Mrs Ewbank – Assistant Head Teacher and SENCO
Mr Merriman – Family Support Worker
J. Khan - ATLP South Hub DSL

Sharing Concerns

Sometimes we may need to ask questions, share information and work in partnership with other agencies, where there are concerns about a child's welfare. We will ensure that our concerns are discussed with parents/carers first, unless we have reason to believe that this would put the child at more risk of harm. All families need support from time to time, please feel free to speak to a DSL if you need any support - no matter how small or big you feel it is.

What to do if you have concerns

If you are concerned that a child is at risk of harm, then please talk to one of the DSLs in school. Alternatively, you can contact Birmingham Children's Trust on 0121 303 1888. You can also seek support from the NSPCC

Spotlight on Reading: EYFS & KS1

Hello,

We love books at Paget and are firm believers in helping all children to be readers with a love of books. Throughout their time at Paget your child will be taught to read using the RWI Phonic Programme and as they progress on to the Literacy Tree Reading, Writing and Spelling Scheme. Look out for more information on these in the up and coming newsletters.

Please try and share a story or read with your child at least 3 times a week as it really does make a difference.

To promote a love of reading, each classroom has a **Book Corner** where the children have the opportunity to choose their own books and read for pleasure. I have enjoyed walking round the KS1 and EYFS classrooms to see the new book corners – I am sure you will agree they are looking super, and the children will enjoy reading in them.

Thank you for your continued support. If you have any queries, please speak to your Class Teacher in the first instance or come and see me in 2W or email g.waring@paget.bham.sch.uk

Regards

Mrs Waring

SPOTLIGHT ON CURRICULUM

Dear Parents and Carers,

During the last academic year, as curriculum lead, I have been thrilled to see the development in our whole school curriculum. The new exciting curriculum that your children are engaging in, should ignite and develop their curiosity and thinking about all subjects and the world in which they live.

All children have embraced the new curriculum with enthusiasm, and we have seen remarkable progress in their skills since we introduced this. There are many displays round the school that show the outstanding work created across all areas of the curriculum. We are proud of the progress our children have made, and we are committed to providing them with the tools and resources they need to succeed in their education this year, building on the progress from last year.

We are passionate about developing the whole child, as we strongly believe that our curriculum should extend beyond merely an academic focus. It has been designed to nurture personal character, including resilience, confidence and independence, as well as allowing children to become creative, critical thinkers.

Every child is recognised as a unique individual and we are confident that our curriculum is accessible and flexible to include all. It is designed with progressive and engaging lessons across all areas, with careful consideration of how learning opportunities can be moulded and tailored for groups or individual children.

Thank you for your continued support of our school and your child's learning.

Keep your eyes open on Twitter for lessons across all subjects and areas of the curriculum: developing your child to be the best they can be.

Miss H. Robinson
