Dear Parents/Carers

After School Clubs 2024-2025

This year we are delighted to offer our children the opportunity of attending a variety of before/after school and lunchtime clubs.

If your child is interested in joining any of these clubs, please tick the club of your choice and return it to school as soon as possible, the clubs will be run on a first come first served basis. When returning your choices please only send the tick sheet, this front sheet is for your information. We would appreciate if you take time to look through this with your child and ensure they only sign up for what they like - **Please note it is not a childcare facility.**

Please make sure the clubs you choose are available to your child's year group and that they are able to attend the requested club as some clubs are invite only. There are limited places in each club, but each child will have the opportunity to attend the club at some point throughout the academic year. Please be aware that we cannot guarantee that siblings will attend the same club, or receive a place in clubs on the same day.

For clubs that run at the end of the school day, we would ask you to promptly collect your child at **4.30pm** from the Paget Green side of school. These clubs are run on a voluntary basis by the staff. They will have other duties to attend to once they have finished the club. Repeated late collection from clubs will result in your child losing their place at the club. We will also expect excellent behaviour from the children otherwise their place will be offered to another child.

The clubs are run by school staff and where possible we try to run these clubs each week but at times they may need to be cancelled. Please do not rely on these as childcare.

Please ensure your child has suitable sports kit in school for the sports clubs, along with a bottle of water. Clubs will commence the week beginning of Monday 4th November 2024. Your child will receive a letter confirming their place at the extra-curricular provision.

Yours sincerely

Mrs Spiers Pastoral Manager – Enrichment and Motivation
